## ***Woods Forum at Goodwin Conservation Center***

*Promoting Informed Woodland Owners  
Through Community Conversations*

**Tuesday, March 20<sup>th</sup> 6:30–8:00 p.m.**  
Goodwin Conservation Center  
23 Potter Rd, Hampton, CT 06247

### **March Topic: Mushrooms, Syrup, Ginseng and More! Non-Timber Forest Products in Connecticut Woodlands**

---

*Please join CFPA* as we bring together Connecticut woodland owners and conservation professionals to share information and experiences and create an informal, local network of contacts to help provide support for healthy woodland management and stewardship.

At this forum, you will hear a short presentation, meet local landowners, engage with conservation experts, and share knowledge with your neighbors. Curious about growing mushrooms? Backyard sugaring? What your neighbors are up to? Don't miss out! ***\*Beverages and snacks will be served!***

**Please RSVP:** [bbernard@ctwoodlands.org](mailto:bbernard@ctwoodlands.org). For more information contact Beth Bernard, Program Director at Goodwin Conservation Center: 860-455-9534

*This program is made possible by a partnership between Connecticut Forest & Park Association, the Department of Energy & Environmental Protection and the Friends of Goodwin Forest.*
